Submission: Objection

Comments: I object to the size and scale of the development

I believe that it is an overdevelopment of the site

It was previously stated that areas of the River Wye would be opened up, this is not in the current plans.

Risk to the number of car parking spaces given the increase in the number of flats.

Increase in the number and density of properties.

Loss of trees that have TPOs

This plan is for rental properties only and handle no affordable homes.
