BUXTON AND ITS HISTORY ARE HEAVILY IMPORTANT TO THE TOWN
AS BOTH A SPA TOWN AND GATEWAY TO THE PEAK DISTRICT

AS ALL ROADS AND OLD TRACKWAYS IN EVERY PARTS OF THE COMPASS
COVERGE ON THE SETTLEMENT FROM EARLY RECORDED AND EVIDENCIAL
ARCHAEOLOGY MAKE IT PIVITOL TO RETAIN AND SYMPATHETIC WORK
UNDERTAKEN TO PRESERVE THE HERITAGE AND APPEARENCE OF BUXTOI

THE PROPOSED NEW DEVELOPMENT WILL BE INCLUDING SEVERAL GRADE
ITEMS AS IT IS IMPORTANT TO MAINTAIN THERE HERITAGE
ESPECIALLY WINSTER PLACE GRADE 2 LISTED CALLED BY CENTRICO BLOC
GRADE 2 ALSO INCLUDES THE BOLLARDS ON STATION APPROACH
AND THE RAILWAY STATION ENDS BOTHE ALL NEED TO BE PRESERVED

IT IS ESSENTIAL THE MUSEUM AND ARTIFACTS DISPLAYED PREVIOUSLY
WHEN IT WAS HOUSED CENTRALLY SHOULD BE PLACED IN WINSTER PLAC
SO THAT A COMPREHENSIVE STORAGE AND RESEARCH FACILITIES
ARE INCLUDED ALONG WITH DISPLAY CASES TO ATTRACT AND EDUCATE
PEOPLE OF ALL AGES AND ITEMS TAKEN FROM THE TOWN
COULD BE RETURNED TO A PROPERLY DESIGNED FACILITY FOR
TOURIST VISITORS AND LOCALS ALIKE TO DELIGHT ALL WHO VISIT

THE PROPOSAL IS TO OPEN THE RIVER WYE ON PART OF ITS LENGTH
THE CULVERT IS LENGTHY FROM BY THE OPERA HOUSE TO WHERE IT
IS EXPOSED TO THE AIR BY THE DISABLED PARKING SPACES IN WHAT
IS CURRENTLY A LARGE CAR PARK
THE RIVER LENGTH WITHIN THE CULVERT NEEDS TO BE STUDIED
FOR ENVIRONMENTAL AND ANY IMPACT ON WILDLIFE SUCH AS CRAY FISH
IN ALTERING THE CHANGES PROPOSED MAY HAVE ON LIFE AND WELL BEI
OF THE RIVER WE DO NOT WANT TO SIEE OBJECTS THROWN TO POLLUTE
AND DESTROY A VALUABLE ASSET WHICH HISORICALLY HELPED TO
ATTRACT HUMANS TO THE AREA IT FLOWED THROUGH

COPPER CLADDING WOULD BE COMPLETELY OUT OF CHARACTER WITH
OTHER BUILDINGS IN THE TOWN ALTHOUGH THE DEVONSHIRE FAMILY
GAINED WEALTHE FROM MINES IN STAFFORDSHIRE THE MINES WERE
NOT ASSOCIATED WITH DERBYSHIRE

To Whom It May Concern Sheet 2

I enclose a typed sheet including some major concerns made by residents and tourists alike.

The idea of including 300+ rented box like flats is an enigma along with greenery and lack of parking by the residences. It all seems cramped and not in keeping and who is to regularly maintain and keep tidy the water course and will also stretch the services to maximum where can ambulances fire and police park in an already proposed lack of parking and an underground area is out of keeping with a spa town.

Remember Boxton residences already suffer from side road and streets being packed as one of Centrico representatives said he could not care about the concerns raised.

Is there an alternative plan to suit all - yes - leave alone and enhance places we have already and money better spent for us all,
