Submission: Objection

Comments: I object to this application. It is a large and complicated development which I have had to rely on 3rd parties to digest and provide accessible, unbiased reviews to help me understand. The amount of housing in this tightly packed development is too big a jump from what was originally proposed and discussed. The height of the towers will significantly change the feel of the town. I don't think this is the best use of resources for the future of Buxton. I feel like Buxton will become another generic town with this development, failing to address many significant problems.
