Submission: Objection

Comments: I object to the Planning Application on the basis that:

- the proposed buildings are not in keeping with the existing architecture of Buxton, resulting in a loss of the individual charm of the town
- there will be a significant loss of valuable public car parking which is already limited
- the cost of the proposed plans versus the supposed benefit to be gained is not realised
- these plans will cause a huge amount of disruption to local businesses and residents
- the needs of local residents are not being considered
- the plans are purely a money making opportunity for the developers who are not resident in the area
