Submission: Objection

Comments: I object to the increase in housing/flats on the current plan. Buxton is close to losing its heritage and appeal as a destination. Construction will impact the social heart of Buxton impacting the arts and hospitality due to the nature and time scale of the plans which the independent businesses that Buxton is built upon may not survive.

And development needs to be sympathetic to the heritage and enhance it not remove its identity.

Current plans are likely to be catastrophic to the area.
