Submission: Objection

Comments: The new building is not in keeping with the build of the rest of the town centre as in architecture or building material.

Plans for excessive modern accommodation unsuitable for small spa town centre and will compromise the look of our historic town.

No provision has been made for existing shops in precinct therefore resulting in loss of jobs.

Tourism/day coach trippers will be put off visiting Buxton with less shops to browse.

Not enough town centre car parking spaces allocated.
