Comments: We are the freehold owners of the George which is the property that adjoins the Garage Adjacent George Mansions. We have recently converted the building, and we are writing on behalf of all the residents in the 21 flats.

We would request that the Planning Authority apply Conditions to any consent to require acoustic insulation to be installed as part of any works. We believe that any external drinking should also be limited by Condition to 10pm at night on every night and that any bar in the building should not trade beyond 11pm on any night.
