HPBC Planning Application ref HPK/2026/02744
Whaley Bridge Uniting Church, Upgrade to existing rear Car Park

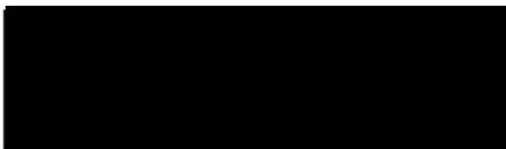

Dear Mr Alex Bonser

With reference to the DCC Highway Authority letter dated 30.07.2026, copy attached, being part of the Consultation process for the above planning application, I have the following comments.

The last paragraph of the Highway Authority letter is incorrect and I can categorically state there are no public footpaths or public rights of way running over the Whaley Bridge Uniting Church Site. I attach a map showing two public footpaths, one to the north and one to the south of the WBUC Site, with neither of these footpaths running across or over the WBUC Site.

Can you please arrange to have the last paragraph of the Highway Authority letter removed and reissued as soon as possible.

Yours sincerely

John Morten WBUC Trustee
