Submission: Support

Comments: New Mills Town Council is a statutory consultee and considered this planning application at the meeting of Full Town Council on Monday 10th August 2026, agenda item 6. The Town Council resolved, with unanimous agreement, to support this application. The full context and rationale for the application demonstrates innovation, proactive measures to address the decarbonisation and environmental agendas, proposes to utilise local tradespeople and demonstrate cutting edge technology developed in the locality, and aligns with other sustainability initiatives within New Mills such as the Torrs Hydro project. There is the potential for the development at Rock Mill to showcase environmental and sustainability activity in New Mills and High Peak. The Town Council therefore gives its support to this application..
