

Good morning,

I have tried several times to get on to the comments section of hpbc's planning portal, but have a message saying it can't be reached.

As a result I would like to register my objection to change of purpose to use of dwelling, (use class C3) as children's care home, via you.

I am aware that another house on St.John's Road has already been converted into a children's care home. I am also aware of the problems it has caused in a residential area, the police call outs and problems for neighbours. Why it was ever approved in a residential area, on a busy road is beyond me. To allow a further development in the area will only exacerbate the problem. It is not safe for the children, or residents alike.

I look forward to your confirmation that my objection has been registered.

Thank you,

Regards,
