Submission: Neither

Comments: Further to my earlier comments below two new drawings have been added to the application on 24th and 26th August 2026. They are BP-60C31 20260813 113257 0001 and BP-60C31 20260813 113257 0002. For some reason they now show our land marked in blue on three sides not red as in the previous plans indicated below. I still do not understand why land owned by us is included in an application made by my neighbours Agent.

The Land Registry Title Number for the land mentioned above can be provided to High Peak Council planning officers on request.

Previous comment: The property boundary marked in red on the "Location Plan" and "Site Plan" documents is incorrect. All the land located behind our property Wethercotes, on these Plans is owned by us. The Land Registry Title Number for the land mentioned above can be provided to High Peak Council officers on request.

We have no other comments on this application.
