3 Brief description of the proposed work

Please state the number of storeys, the position in relation to the existing home (rear, side or front) and the purpose of the new building. For example:

- single-storey detached garage in rear garden;
- two-storey side extension containing kitchen with bathroom over.

Description: 2 STOREY SIDE EXTENSION

4 Materials being used

Please describe all the external materials that you will be using, including roof materials. Specify the colour and type of materials and print the details on your plans. For example pitch faced, coursed natural stone, materials to match existing, or plain flat section roof tiles and so on.

Roof:

BLUE SLATE TO MATCH EXISTING

Walls:

RED BRICK BOTTOM 1ST 1 METRE LIMESTONE DASHING ABOVE.

5 Drainage

All new buildings and extensions should have separate connections to a storm water sewer (for rainwater off roofs and so on) and a foul water sewer (for waste water from kitchens and bathrooms). If you want to discuss appropriate drainage arrangements, please contact Building Control, Council Offices, Chapel-en-le-Frith, High Peak, SK23 0QJ. Phone 01663 751751 Fax 01663 751766 Textphone 01457 851669.

How will storm and surface water be dealt with?

How will foul water and sewage be dealt with?

CONNECT TO EXISTING

N N -

- 6 Levels**
If there is a difference in land or floor levels, the plans should show the existing and proposed levels of the development in relation to neighbouring buildings. If you propose major changes to existing levels, supply cross sections of the development.

Does the development change land levels

YES ☐ NO ☒

Are there nearby properties at difference levels?

YES ☒ NO ☐

If yes, illustrate the changes and relative levels on the plan.

7 Highways

You must get planning permission if you want to build a garage with new or altered access to a "classified" road. (a classified road is a main road with a number prefix – for example A624, B5470, C617.) Areas where vehicles cross over pavements should be kept to the minimum to protect the safety of pedestrians. Existing crossovers that are no longer needed must be turned back into pavement. When you want to build a crossover for a vehicle, or do any other work to the pavement or road, you must contact the District Highway Care Manager, Derbyshire County Council, County Hall, Matlock, Derbyshire, DE4 3AG. Phone 01629 580000.

Will there be new or altered access to the road?

YES ☐ NO ☒

If yes, make sure this is shown on your plan.

8 Trees

We want to preserve existing trees wherever possible. Your plan should accurately show the position and spread of any existing trees and state which, if any, are going to be felled (chopped down).

Does the proposal involve felling one or more trees?

YES ☐ NO ☒

If yes, please show them on your plans.

9 Have you discussed this application already YES ☐ NO ☒

If yes, which Planning Officer?

10 Owners Certificate and Agricultural Holdings Certificate

If you are the only owner of all the land complete Certificate A below, otherwise complete Certificate B and Notice No.1 which are attached as separate forms. If you do not know who owns the land Certificate C or D must be completed, these can be obtained by contacting the Regeneration Department on 0845 129 77 77

Certificate A

Under Article 7 of the Town and Country Planning (General Development Procedure) Order 1995, I verify that:

a) On the day 21 days before the date of this application, nobody (except the applicant) was the owner of any part of the land of which the application relates. ☒ YES

b) None of the land to which the application relates is (or is part of) an agricultural holding. ☒ YES

Signed..... Date 3/4/08

On Behalf of Mrs A ROWLAND

11 You must send us four copies of the application form and your plans. One set will be officially stamped and returned to you with the planning decision notice.

I attach 4 copies of the necessary plans, and enclose the fee of £135.00

Signed..... Applicant ☒
