Model illustrated is the Capricorn 36 x 12/2 Bedroom "FD" (French Doors).

This charming holiday home is well furnished with contemporary and stylish décor throughout. A welcoming and spacious lounge features two and three-seater fixed sofas, carefully positioned to take advantage of the views from the large, panoramic front windows.

It has a designated dining area, which boasts a freestanding dining table and upholstered chairs and a modern, fitted kitchen with a stylish arched glass and stainless steel cooker hood above the hob. The Capricorn is everything you could want and more for those wonderful family holidays.

Atlas reserves the right to change any materials, fittings, etc., shown in this brochure at any time and without prior notice as supply or product development demand. All Atlas Leisure Homes are built to comply with all relevant British Standards and Codes of Practice as required by the National Caravan Council certification scheme. NOTE: Caravan Holiday Homes are not designed for residential occupancy. To use an Atlas Leisure Home, it will need to be correctly sited, have steps or other means of entry and be connected to services (an appropriate propane gas supply, mains electricity to suit the required power uptake, mains water at a pressure to suit the appliances and a waste water/sewage outlet). Due to the nature of our construction methods and practices, it may not always be possible to match patterns precisely on some wallboards and fabrics. Any Park Operator, anywhere in the UK, can purchase an Atlas Leisure Home for you through the Atlas Dealer/Park Distribution Network. Due to the limitation of the print process we recommend that you see the actual products for colours. Photographs of Atlas Leisure Homes on location are for example only and may not have been sited at that location. Decking, patios, fences, barbecues, etc. have been used for illustrative purposes only. E&OE

Capricorn
